

PHD TALENT

PHD meeting : job in AI & Data Science?

Take part of the very first online thematic event organized on the PhDTalent platform.

You will have the opportunity to:

- follow webinars to better understand the activities of the exhibitors
- apply to speed-meetings before the event and meet recruiters the D-day
- have access to their job offers

[The event is free of charge for PhD candidates and PhDs : register online now !](#)
